RE: Application of Duke Energy Progress, LLC for Adjustments in Electric Rate  
Schedules and Tariffs and Request for an Accounting Order  
Docket No. 2018-318-E

Dear Ms. Boyd:

Duke Energy Progress, LLC ("DEP") has requested an extension of time by which to provide the Notice of Filing and Hearing and Pre-file Testimony Deadlines ("Notice") to customers. DEP advises that it takes a full billing cycle to provide the notices to customers through billing inserts.

The current deadline requires DEP to provide the notice to its customers by December 6, 2018. DEP requests that the deadline be extended to January 6, 2019. DEP also acknowledges that its request may necessitate a change in the return date established in the notice.

ORS does not object to DEP's requested extension of time by which to notice its customers. However, an extension to provide the Notice to customers does require a change in the return date in order to provide adequate notice of DEP's application to those customers who receive their bills on billing cycles which occur later in the month.
